

KNAF CERTIFICATE NUMBER

**933 - 1130**

# SAFETY CAGE CERTIFICATE

In compliance with FIA Homologation Regulations for Safety Cages

**USE PROHIBITED FOR SAFETY CAGES OF HISTORIC VEHICLES**

This Certificate is valid only for the Safety Cage bearing the Serial Number shown on Page 7 of 7

Safety Cage Manufacturer	<b><u>Biesheuvel Autosport</u></b>
Address	<b><u>Rijksweg 37</u></b> <b><u>4255 GE Nieuwendijk</u></b> <b><u>Netherlands</u></b>
Phone n° + Email	<b><u>0031 183 403400</u></b> <b><u>info@biesheuvel.nl</u></b>

The structure shown on this form is manufactured for the following vehicle:

Make	<b><u>VW</u></b>	Model	<b><u>Golf GTI</u></b>	Year/Model Identifier	<b><u>2006</u></b>
Vehicle Homologation Number(s)* *if applicable		<b><u>N/A</u></b>			

Drawing of front ¾ view of the Complete Structure showing the location of the identification plate

KNAF CERTIFICATE NUMBER

**933 - 1130**

**DETAILS OF STRUCTURE**

**A =**      600      mm      **B=**      100      mm  
**C =**      110      mm      **E =**      360      mm  
**H =**      990      mm      **(E is highest figure only)**

All Dimensions ± 5mm

Method of attachment to Body Shell	<u>Welded</u>
Weight of Safety Cage, inc. fastenings	<u>55</u> kg

This document is valid only if fully completed and issued as a validated original document by the **KNAF** (The issuing ASN).

It must be presented, in full, on demand to FIA or ASN delegates or Technical Scrutineers of the Meeting (Competition). The authorisation of this form by the issuing ASN certifies that the structure shown herein complies with the basic strength and configuration requirements of the FIA Homologation Regulations for Safety Cages.

It does not certify that the structure complies with the requirements of any particular competition or technical regulations.

**This certificate becomes invalid if the structure is modified in any way from the design shown herein.**

<b>FOR THE USE OF THE ISSUING ASN ONLY</b>		
The issuing ASN, having been satisfied that the Safety Cage design identified in this Certificate has been demonstrated to meet the requirements of the FIA Homologation Regulations for Safety Cages, certifies that the design of the Safety Cage Structure is valid for use, subject to the restrictions listed below, in all events sanctioned by the issuing ASN and International events sanctioned by the FIA.

Safety cage identification Number	<u><b>933 - 1130</b></u>

**MANUFACTURER'S DECLARATION AND DETAILS:**

I declare that the Safety Cage Structure described on this form and fitted to the vehicle described above:

- was constructed and installed in accordance with the specifications and design shown herein.
- has been manufactured so that all aspects of the Safety Cage design, including configuration and strength requirements and welded and demountable joints and mountings, will be in conformity with the requirements of the FIA Homologation Regulations for Safety Cages.
- has been identified by an engraved plate bearing the name or logo of the manufacturer, the ASN Certificate number and a unique manufacturer's serial number.

Manufacturer's Name	<u><b>Biesheuvel Autosport</b></u>	Insert Manufacturer Stamp here
Address	<u><b>Rijksweg 37</b></u> <u><b>4255 GE Nieuwendijk</b></u> <u><b>Netherlands</b></u>

## SUPPLEMENTARY DOSSIER FOR CERTIFICATION FOR A SAFETY CAGE

**Notice to Applicants:** All information in this Supplementary Dossier will be treated as Confidential by **KNAF**, and no information on the present form will be released without the permission of the applicant, other than when requested by the FIA or statutory authorities.

ASN instructions here

**Such Certificate will be invalid if the structure is modified in any way from the design shown herein.**

### MANUFACTURER'S DECLARATION AND DETAILS:

I declare that all Safety Cage Structures built to the design described on this form:

- will be constructed by me, or under my supervision, or by my authorised agent in accordance with the specifications and design shown herein.
- will be manufactured so that all aspects of the Safety Cage design, including configuration and strength requirements, welded and demountable joints and mountings, will be in conformity with the requirements of the FIA Homologation Regulations for Safety Cages.
- will be identified by an engraved plate bearing the name or logo of the manufacturer, the **KNAF** Certificate number and a unique manufacturer's serial number.
